

ProQuest's Ebook Products

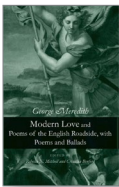

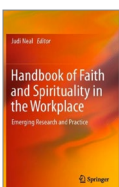

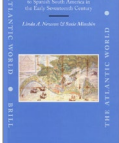

Need scholarly ebooks that offer comprehensive coverage of a broad range of subjects?

ProQuest's ebook subscriptions are collections of scholarly ebooks from leading publishers offering coverage of 10 key academic subject areas with unlimited, multi-user access and a wealth of librarian-curated content. Subscribe to individual collections to meet the specific needs of your institution, or offer Academic Complete™— which includes all 10 subject subscriptions—for an all-encompassing ebook foundation.

For the greatest value, pair subscriptions with our balanced, current and carefully curated Perpetual Packs. Both the subscriptions and packs contain many award winning titles from leading publishers. Further enhance your collection with thousands of additional titles available through our Demand-driven Acquisition and Perpetual Archive models.
